Dear Parents/Carers,

At Richardson Dees Primary School we love music. We are looking for any parents/carers/relatives who are able to play instruments who would be interested in supporting our music curriculum by coming in to visit and talk about their instrument and experience of music and perform for a few classes.

If you are interested in sharing your musical talents with the children please fill in the form below.

With Appreciation,

Miss Wedgwood  
Music Subject Lead
